# Improve My Search Results

Search results are displayed by resource type. Click each tab to find resources related to your search, by format.

The screenshot displays the DTCC search interface. At the top, there are navigation tabs: Products & Services, Training & Certification, Documentation, Videos, Live Events, and Membership. A search bar is located on the right. Below the navigation, a search results page is shown. On the left, there is a 'FILTER BY:' section with a 'Product & Services' category. A list of services is provided with checkboxes and dropdown arrows: Alternative Investment Product Services, Asset Services, Cross-Product, DTCC Data Services, Equities Clearing, Fixed Income Clearing, Global Trade Repository, Institutional Trade Processing, Insurance and Retirement Services, Mutual Fund Services, Settlement, and Trade Information. In the center, there are tabs for resource types: Articles (2437), Videos (551), Documents (1622), Courses (50), and Events (18). The 'Articles' tab is selected. Below the tabs, the search results for 'Fixed Income Clearing Learning Center' are displayed. The results include tags for 'Fixed Income Clearing', 'Corporate, Municipals and UITs (CMU)', and 'Mortgage-Backed Securities (MBS)'. The first result is 'Fixed Income Clearing Learning Center' with a rating of 0.00 (0 votes) and a description: 'The Fixed Income Clearing Corporation (FICC) was created in 2003 to reduce costs and give DTCC customers a common approach to fixed income transaction processing by integrating the Government Securities Clearing Corporation and the Mortgage-Backed Securities Clearing Corporation. Corporate, Municipals, and UITs (CMU) The Corporate, Municipal, and UITs (CMU) system provides all of its customers...'. Below this is the 'Institutional Trade Processing Learning Center' with tags for 'Institutional Trade Processing', 'CTM', 'OASYS', 'TradeSuite ID', 'Connect', and 'OASYS Trade Match'. It also has a rating of 0.00 (0 votes) and a description: 'DTCC's Institutional Trade Processing (ITP) service suite has its origins in the set of trade processing solutions that constituted the Omgeo business. Combining DTCC's global solution for legal entity identifiers and its settlement capabilities with the formerly Omgeo-branded pre-trade and matching services, ITP offers buy-side, sell-side and custodian firms an end-to-end...'. At the bottom, the 'Settlement Learning Center' is partially visible.
